Notes:

1. The information in relation to the location of stormwater discharge is provided as consent and a report of Council pursuant to the provisions of Regulation 133(2) of the Building Regulations 2018.
2. If it is proposed to carry out any building works over any drainage easement the consent and report of Council pursuant to Regulation 130 of the Building Regulations – 2018 is required.
3. The information provided in Sections C (i), (ii), (iii), (iv) and (v) have been drawn from records held by the City of Greater Geelong. It is believed that the information is correct but if you intend relying on it, you should make on-site investigations and enquiries of all other sources to verify its accuracy. The City of Greater Geelong accepts no liability if this information is subsequently found to be in error or incomplete.
4. The personal information on this form is being collected by Council for the purpose of processing an Application for Property Information. The personal information will be used solely by Council for that primary purpose. You may access this information, by contacting Council on (03) 5272 5272. If you fail to provide this information your application may not be processed.
